It's a lazy, wispy day. Just right for enjoying the sunshine that floods through the green leaves, finding its way to the sparkling clear pool below. The beauty of this Spring day is only matched by the beauty of Kim's long, silky black hair — as well as the sparkle in her pretty young eyes. Behind that sparkle is the instinctive need for attention from her lover — a more urgent need inside of her cries for fulfillment. She gives a slight moan and he is aware. The sex is expressive, romantic and beautiful to the end — when his love juices meet their eager, willing target.
